The inner teacher...

Understands that different people learn in different ways

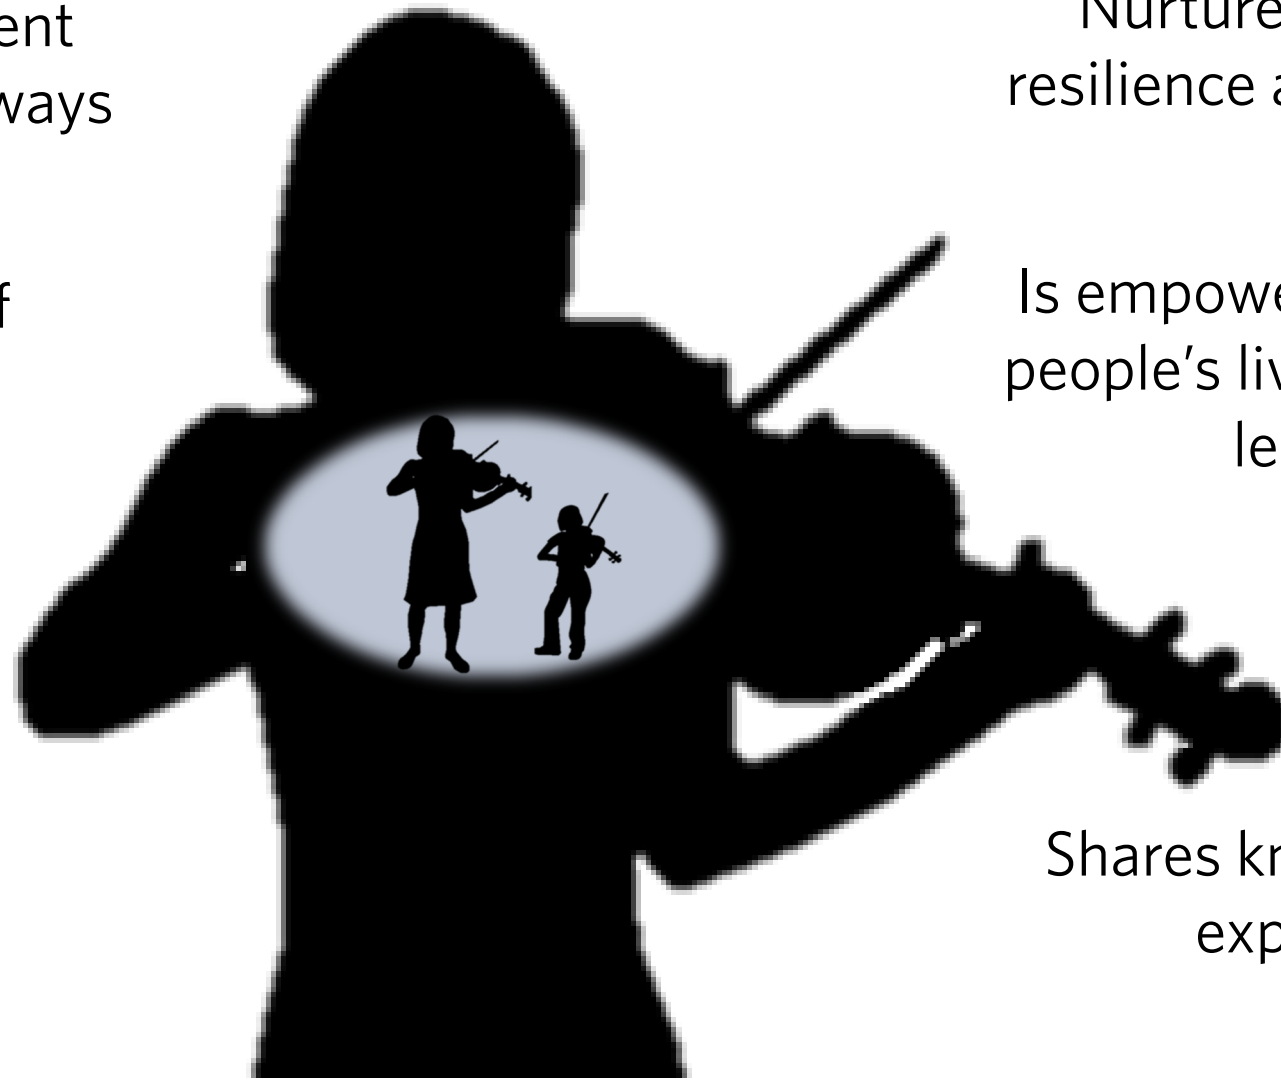

Encourages expression of ideas and opinions

Takes responsibility for motivation and development

Nurtures self-belief, resilience and confidence

Is empowered to change people's lives by inspiring learning

Shares knowledge and experience

The inner musician...

Takes responsibility for their own performance

Listens to their inner artist

Wants to communicate their musical ideas and personality

Recognises their musical influence and significance

Is empowered to change people's lives by inspiring a love of music

Adapts and responds, live in the moment

Thank you
